PROFESSIONAL EXPERIENCE

Client Support Supervisor

March 2022 - Present

Prince Retail Group of Companies | Philippines

- Lead roving IT operations and client support across retail branches and distribution centers in Negros and Panay.
- Oversee support for infrastructure, servers, networks, POS systems, devices, and business applications; coordinate incident response, service requests, SLA monitoring, and root-cause analysis.
- Coordinate technology deployments for store openings, renovations, relocations, and operational handovers; guide onsite and remote support teams.
- Improve reporting and workflows with Microsoft 365, SharePoint, Power Apps, Power Automate, and Power BI.

Senior Client Support Analyst - Team Lead

March 2021 - February 2022

Prince Retail Group of Companies | Mandaue City, Cebu

- Coordinated daily client support and technical escalations; supported incident resolution, SLA monitoring, documentation, and service improvements.

Client Support Analyst

February 2020 - March 2021

Prince Retail Group of Companies | Mandaue City, Cebu

- Delivered centralized remote support for branches and distribution centers; maintained operational reports, asset records, and digital support tools.

PROFESSIONAL EXPERIENCE - CONTINUED

Senior Client Support Technician
May 2019 - March 2020

Prince Retail Group of Companies | Mandaue City, Cebu

- Handled advanced hardware, software, network, server, POS, printer, and peripheral troubleshooting; supported infrastructure installations and equipment deployments.

Client Support Technician
February 2018 - July 2019

Prince Retail Group of Companies

- Supported branch and distribution-center workstations, networks, POS equipment, printers, and day-to-day IT operations through onsite and remote troubleshooting.

IT Staff
January 2018 - February 2018

Devlarn Ventures and Development Corporation | Mandaue City, Cebu

- Provided computer setup, maintenance, hardware and software troubleshooting, and user support.

IT Staff / Graphics Designer / CCTV Operator
July 2016 - January 2018

Cebu Palm Grass Hotel Incorporated | Cebu, Philippines

- Supported computers, networks, printers, CCTV/DVR systems, digital graphics, and the hotel's WordPress website.
